NACR can help you "Find Your Private Cloud" at upcoming events

NACR, a ConvergeOne Company, Takes Cloud Events on the Road

EAGAN, Minn., July 7, 2015 /PRNewswire/ -- Starting this month, technology solutions expert NACR is presenting a series of events designed to help customers explore the options and benefits of private cloud solutions. "Find Your Private Cloud" will visit more than a dozen locations across the United States and is open to those who are new to NACR as well as to existing customers.

NACR, a ConvergeOne company, is a leading global provider of best-in-class communications solutions and services, and a trusted advisor to more than 5,500 customers ranging from small businesses to *Fortune* ® 100 and global enterprises. The company works closely with leading technology partners to integrate the latest hardware, software, and applications into end-to-end solutions for diverse markets.

"NACR is committed to helping businesses understand the latest technology and leverage it to enhance their operations, productivity, customer engagement, and ROI," according to John F. Lyons, President and CEO of NACR. "With our 'Find Your Private Cloud' events, we are bringing an important source of cloud technology research on the road and giving IT professionals and other business leaders a forum where they can discuss cloud strategies and learn firsthand from our experts."

"Find Your Private Cloud" will feature Erik Carlsen, Senior Director of Private Cloud Solutions for ConvergeOne, who will help attendees explore what private cloud means to them and how to leverage it the best business advantage. The conversation will include:

- Deciding which solutions are right for the cloud
- Keeping technology nimble and up to date
- Protecting existing investments
- Managing costs
- Managing the cloud
- Picking the best partner for a business's specific cloud needs

NACR has scheduled "Find Your Private Cloud" events cities across the country.
