

ConvergeOne Government Solutions Certified Under ISO 9001:2015 Quality Management Standard

MOUNT OLIVE, N.J., April 8, 2020 [/PRNewswire/](#) -- **ConvergeOne Government Solutions**, a strategic systems integrator focused on the federal market and a wholly-owned subsidiary of ConvergeOne, Inc., a leading global IT services provider, today announced that it has been certified under the ISO 9001:2015 standard.

ISO 9001 is the world's most widely recognized quality management standard and helps organizations maintain business processes that meet the expectations and needs of their customers. As part of the ISO 9001:2015 certification process, ConvergeOne Government Solutions engaged in rigorous internal and external audits of its business processes and quality management system. By achieving this level of certification, it continues to demonstrate its ability to effectively and efficiently provide quality solutions and services to its customers through a process of continual improvement.

This certification further strengthens its customer commitment and its Company Quality Policy:

ConvergeOne Government Solutions is committed to achieving the highest levels of customer satisfaction in everything we do, through a process of continual improvement that involves everyone in the organization. By following the processes in our Quality Management System, each employee contributes to the success of the organization by fostering a culture of excellence and accountability. Our management team is fully invested in the drive for continual improvement and provides review, oversight, and guidance on all aspects of the Quality Management System.

"As a services-focused company, this certification is extremely important, and it helps us demonstrate our commitment to the highest levels of customer satisfaction and quality management in everything we do in support of our customers," said Mark Hagan, Regional Vice President, ConvergeOne Government Solutions. "By refining our business processes and fostering a culture of continual improvement, the entire ConvergeOne Government Solutions organization is empowered to solve customers' complex challenges with solutions that are expertly tailored to meet their specific needs."

"ConvergeOne Government Solutions has demonstrated its commitment to world-class quality management by implementing and becoming certified to the ISO 9001 standard. It has joined an elite number of organizations worldwide who have achieved certification to this globally recognized quality standard," said Randy Daugharthy, Director of the Registrar Program at the Performance Review Institute Registrar. "PRI Registrar is proud to partner with ConvergeOne Government Solutions in this accomplishment and looks forward to continued support of its objective of quality excellence."

The customer-centric approach of ConvergeOne Inc. is exemplified by its 2019 Net Promoter Score (NPS) of 72, which is three times the IT services industry average, as reported by ClearlyRated. This score places ConvergeOne in NPS's "Excellent" category, which is reserved for only the most customer-focused companies.

About ConvergeOne Government Solutions

A wholly-owned subsidiary of ConvergeOne, Inc., ConvergeOne Government Solutions (C1GS) is a federally-focused systems integrator providing Unified Communications, Customer Experience, Data Center, Enterprise Networking, Biometrics and Physical Security, Video, and Cybersecurity products and services to government customers.

At ConvergeOne Government Solutions, we understand the complexities and challenges of government business.
