

ConvergeOne Welcomes New Vice President of Human Resources Colleen Haberman Joins Data and Communications Provider

EAGAN, Minn., Nov. 11, 2014 /PRNewswire/ -- [ConvergeOne](#), a leading national provider in the design, implementation, and management of state-of-the-art, multivendor data and communications solutions, announced today that Colleen Haberman has joined the company as Vice President of Human Resources and will report directly to John A. McKenna Jr., Chairman and CEO of ConvergeOne.

"With more than 30 years leadership experience in human resources, Colleen's impressive experience, expertise and passion for employee and business development make her a fantastic addition to the ConvergeOne team," said McKenna.

Haberman comes to ConvergeOne from Univita Health, Inc., where, as Senior Vice President of Human Resources, she was responsible for all functions of human resources and played an important role transitioning the company through several acquisitions. Prior to joining Univita, Haberman held executive human resource positions across the healthcare, nonprofit, pharmacy benefits and financial services industries.

As Vice President of Human Resources for all of ConvergeOne, Haberman will help frame a human resource strategy that ensures all its programs and practices align with the goals of the business. In addition to overseeing compensation planning, payroll, benefits, performance management, employee relations, recruitment, retention and compliance, Haberman will also play a role in any future acquisition due diligence and integration.

ConvergeOne designs, builds and delivers end-to-end, integrated solutions including communications, collaboration, contact center, data center and server/storage consolidation and management, and consultative, managed and professional services, as well as project financing through ConvergeOne Capital. The company maintains strategic partnerships with more than 100 global industry leaders including Avaya, IBM, Cisco and Microsoft. To learn more about ConvergeOne, please visit www.converge-one.com.
