

## **ConvergeOne Announces AVST Elite Status and Two New Additions to Partner Program**

EAGAN, Minn., June 1, 2016 /PRNewswire/ -- ConvergeOne, a leading global provider of state-of-the-art data and communications solutions, is pleased to announce that AVST has achieved Elite status in the ConvergeOne Partner Program. AVST is one of only four companies to reach the Elite tier of the ConvergeOne partner ecosystem.

[ConvergeOne](#) offers end-to-end technology solutions and a full portfolio of project management, professional and best-of-breed managed services spanning all the top platforms, including Avaya, IBM, Cisco and Microsoft, among others. [AVST](#), which has been a ConvergeOne collaborator for 2 years and was previously a Preferred Partner, is a leading independent developer of interoperable, software-based unified communications (UC) solutions.

"Partners like AVST are vital to ConvergeOne's success — making our Partner Program an important part of our strategy for growing our business and delivering the solutions our customers need to grow *their* business," said Jay Kamin, Vice President, Operations, ConvergeOne. "For instance, AVST's CX-E integrates with a wide range of platforms, such as Microsoft Skype™ for Business, to deliver mission-critical mobile, voice and business process applications that help our customers dramatically increase productivity while reducing their costs and future-proofing their IT investments."

In addition to congratulating AVST on moving up to Elite status, ConvergeOne also welcomes two new companies to the Partner Program:

- [Swampfox](#) Technologies, which specializes in the delivery of speech and mobile contact center applications for outstanding customer experiences, has joined the program as a Preferred Partner.
- [CSI](#), a leader in call recording, call monitoring and workforce optimization (WFO) solutions for the contact center, has earned entry to the program at the Select level.

The ConvergeOne Partner Program is designed to identify top technology partners, nurture long-term relationships and promote partner solutions with customers.

"As the program continues to grow, ConvergeOne will not only add new partners as appropriate for the goals and needs of our customers, but also add new incentives to help our partners enhance their reputation and grow their revenue," said Kamin. "So for us, our partners and our customers, the ConvergeOne Partner Program is a win-win-win."

### **About ConvergeOne**

Founded in July 2005, ConvergeOne is a leading provider of custom information, communications and data technology solutions and services for any environment, regardless of existing vendors or systems. The company offers best-in-class solutions in customer experience, collaboration, contact center, cloud, enterprise computing, data center and virtualization, enterprise networking and security. Through its best-of-breed Professional Services, ConvergeOne can facilitate everything from system design and installment to application development and infrastructure. Its industry-leading Managed Services experts provide ongoing support for contact centers, collaboration, data centers, networking and security. With the ability to enable and support cloud services at any level, ConvergeOne has achieved a new, elevated level of partnership with its clients and has gained a significant competitive advantage over other managed service and support organizations across the U.S.

The company has earned more than 1,400 industry certifications and has strategic partnerships with more than 100 global industry leaders, including Avaya, Cisco, IBM, Interactive Intelligence and Microsoft. Headquartered in Eagan, MN, ConvergeOne maintains more than 26 offices and 1,200 employees nationwide. ConvergeOne joined the Clearlake Capital Group, L.P., portfolio in June 2014. Clearlake is a private investment firm with a sector-focused approach. The firm seeks to partner with world-class management teams by providing patient, long-term capital to dynamic businesses that can benefit from Clearlake's operational and strategic expertise. The firm's core target sectors include industrials, energy and power; technology, communications and business services; and consumer products and services.
